Together for the health of MK

Milton Keynes health economy is comprised of partners from MK CCG, GP Practices, MK Council, MK Hospital Foundation Trust, CNWL:MK Community Services, Healthwatch & the voluntary sector. Together, under the auspices of the Health & Wellbeing Board, we come together as a partnership to ensure an integrated & coordinated approach across NHS, social care & public health to improve the health & well-being of our population.

Vision

“We will openly work with patients and stakeholders to plan and buy services that are high quality and provide the best health outcomes and experiences, whilst achieving value for money for our local community. We will listen and improve the health and well-being for everyone in Milton Keynes”
